**Accordionist, keyboarder and singer**, Serge Duchesne's has been interest in musical repertory in every corner of the whole wide world. He work in the most fashionable hotels and restaurants of Montreal and in the province of Quebec : Auberge des Gouverneurs, Auberge du Vieux Saint-Gabriel, Holiday Inn, Roussillon, Delta, Vieux Munich, Beer Gardeen, "Caves à vin", etc ...

**Alone, with one or more other musicians, or with his own orchestra** Serge is able to work anywhere. He entertain any king of custom. He has a vast repertoire adapted to occasions such as congress, brunch, happy hour, Bavarian dance, "bals musettes", etc ... Often many organizations engage him to entertain sick peoples or the elderly. No matter the occasion, he'll always give the best of himself.

**In order to improve himself** to assure the satisfaction of his customers even more. Serge take singing and piano lessons. Nothing stop him !

**Serge is passionate about the MIDI system**, he has been a successful representative of several accordion brands. Serge travel around the world with his MIDI accordion. It is not unusual for him to be in Florida on monday and in France on that same week end.

**His extravagant look**, bright multicolors suit and his very unique accordions, colorful, hand painted scenery, make Serge an unforgettable accordionist. Which explains his great complicity and friendship with [Jean-Louis Noton](#).

Since 1997, **he has triumphed every years** in these festivals :

-[Rencontre Européenne de l'Accordéon de Chartres](#)  
FRANCE

-[Kimberley International Old Time Accordion Championships](#)  
CANADA - British Colombia

-[Caister Accordion Weekend](#) where he found many friends.  
ENGLAND

-[Carrefour Mondial de l'Accordéon de Montmagny](#) where he takes part in the organisation.  
CANADA - Quebec

Note to mention, that he will not hesitate to leave the stage to go play in the middle of the crowd. His bonhomie and his québécois accent make him **an accomplished artist** and what's more, his "joie de vivre" is infectious.

## Tips from the McFaydens

(to Accordionists)

1. Dance music should be inviting, with strong beat and rhythm, rather than a light, dreamy melody.
2. Watch the tempo of your tune.  
Too fast is choppy and not for dancing.  
Too slow is draggy and difficult.  
The right beat is flowing and smooth, requiring little or no effort for the dancers.  
A comparison might be wind up music box, where the music begins very fast, becomes correct and then winds down to slower and slower notes.
3. Watch the length of your tune. Dancers need to break.  
We are not Olympians! Nor do we like sweaty clothes!
4. Learn to dance - it's a key to playing good dance music.

## Also Appearing:

Accordionist, keyboarder and singer, **Serge Duchesne** has keen interest in musical repertory in every corner of the world. Serge is passionate about the "multi" System, has been a successful representative of several accordion bands. His extravagant look, bright red or lime green suits and his very unique accordions, colourful hand painted scenery, make Serge an unforgettable accordionist.

## CD-TIPS

# Musette in vielen Variationen

Für Musette-Freunde war das Festival in Chartres wieder einmal das Paradies.

Auch wer sich den Genuß in Form von Tonkonserven etwas verlängern wollte, hatte reichlich Gelegenheit, sich an den Ständen der Aussteller (kleine Verlage und Plattenfirmen sowie Fanclubs) über Neuerscheinungen zu informieren. Auch wir haben ein wenig gestöbert und uns dabei auf die CDs der Akkordeonisten konzentriert, die beim Festival auftraten:

Der Kanadier Serge Duchesne bezieht sein Repertoire aus aller Welt. So vereint der passionierte MIDI-Spieler auf seiner CD „Serge“ bekannte Melodien von „New York, New York“ über „Liechtensteiner Polka“, „Lambada“ bis hin zu „I just called to say I love you“.

„16 Titel zum Tanzen“ nennt André Trichot seine aktuelle Platte. Der Titel sagt eigentlich alles. Hervorragende Tanzmusik mit

Walzer, Tango, Polka, Bolero, Samba, darunter viele Eigenkompositionen. Tänzerherz, was willst du mehr. Trichot, der Stammgast beim Festival in Chartres ist, tritt auch im französischen Fernsehen regelmäßig auf.

„Coup de Coeur“ (Trophäe des Herzens) heißt die CD von Frédéric Langlais mit 16

meist bekannten Tanz-Hits, darunter Musette-Klassiker von Baselli/Astier, Bouvelle und Mureno.

Der 20jährige profitiert von der Bekanntschaft mit Eric Bouvelle, der ihn 1990 unter die Fittiche nahm, Technik und Virtuosität schulte. In Bouvelles Studio entstanden die Aufnahmen zu dieser hervorragenden CD. In seinem Konzertprogramm spielt Langlais auch Werke aus Opern von Rossini und Rimsky-Korssakow sowie klassische Werke von Derbenko und Glibow.

## 80jähriges Bestehen

Chartres/Tulles. Das 80jährige Bestehen feiert im kommenden Jahr der französische Akkordeonhersteller „Maugein“. Firmenchef Lachete begrüßte einige „seiner“ Künstler in Chartres, darunter auch André Trichot, der seine neue CD „Toi Champagne“ vorstellte und mit seinem Orchester auf der Bühne brillierte. Tochter Ysoline Trichot tritt inzwischen aus Vaters Fußstapfen heraus und spielt nicht nur Bandoneon in dessen Orchester sondern tritt vermehrt als Akkordeon-Solistin auf.

**Künstlertreffen** am Cavagnolo-Stand: Der amerikanische Akkordeonist Mario Tacca (l.) probierte das elektronische Topmodell „Odyssee“ aus, während ihm dabei der Kanadier Serge Duchesne (M.) und der Franzose Jean-Louis Noton zuhören.
